**STAFF'S THIRD DATA REQUEST
VIA EMAIL & US MAIL**

Re: Docket No. 160143-WU-Application for staff-assisted rate case in Hardee County by Charlie Creek Utilities, Inc.

Dear Mr. Smallridge:

Please provide the additional information requested below regarding Charlie Creek Utilities, Inc. (Charlie Creek or Utility) by January 20, 2017.

1. Pumped & Metered Water: As provided in response to staff's second data request, the pumped water amounts were corrected for 2015.
 - a. Please provide an explanation of the cause for tabulation errors, which occurred for the pumped water amounts.
 - b. Please provide the Monthly Operating Reports showing the correct amounts of pumped water for any month where tabulation errors were found.
 - c. If the Monthly Operating Reports with the correct usage are not available, please provide the highest pumped water amount for any single day during the test year.
 - d. If available, please provide all Monthly Operating Reports showing the pumped water for 2016.
2. Pro Forma: In response to staff's second data request, an engineering proposal was provided in connection with Water Treatment Facility (WTF) Improvements.
 - a. Was the need for the improvements listed in the engineering proposal identified by the Utility? If so, why are the improvements necessary?
 - b. Are the improvements needed to maintaining the quality of water?
 - c. Please provide all other requests for proposals/bids that were obtained for these improvements. If no other bids were obtained, please explain why.

Mr. Michael Smallridge
January 5, 2017
Page 2

- d. When are the WTF improvements scheduled to begin?
- e. When are the WTF improvements scheduled to be completed?

Please contact me by phone at (850) 413-6632 or email eknoblau@psc.state.fl.us, if you have any questions.

Sincerely,

Emily Knoblauch
Engineering Specialist
Division of Engineering
