Subject: FPL rate hikes 2017

To Whom It May Concern,

Again, FPL is asking for yet another rate increase for the year 2017. Please tell me what exactly is the purpose of the Florida Public Service Commission, if you are continually going to approve every rate hike FPL wants. The majority of people living in Florida are on fixed incomes, including us. FPL just gave themselves a rate hike last year by eliminating their On Call credits. And now yet another rate hike! How about representing the people of Florida, instead of FPL. Gail and Henry Beaulieu
