Subject: Docket number 160186 - GULF POWER RATE INCREASE!

Gulf Power is requesting a rate increase of about 7% this year. Please do not allow this increase!

As a senior living on a fixed income I can't afford to have my expenses increase as my income is reduced.

Cost of Living increase for Social Security this year is only .3%, while my Medicare Insurance has increased by more than that, giving me less income to work with.

Fuel prices are falling and yet Gulf Power wants a 7% increase. Please don't allow this increase!

Thanks,

James Lewis
