Subject: Gulf Power Rate Increase Docket number 160186

Dear Ms Stauffer,

I urge the Commission to carefully consider if a rate increase is justified for Gulf Power. I realize that a business must make a profit and must plan for future needs, but they must also consider if expenses can be cut.

Any rate increase will have a negative impact on seniors such as my self and my 83 year old Mother-In-Law.

Respectfully,

Hugh T McCary, Jr.
