Dear Mr. Meyers:

Thank you for contacting the Florida Public Service Commission.

In order to process your request we need to know the name of the company (Duke Energy, Florida Power & Light Company, Gulf Power for example) whose rates you are protesting and if you are a current customer of record.

You may send this information to me via e-mail at contact@psc.state.fl.us

I'm just curious as why there will be an increase of 6.9% for the base rate when fuel costs are at some of their lowest in a long time.
