Dear Ms. Ruedisueli:

Thank you for contacting the Florida Public Service Commission (PSC) about Gulf Power Company's (Gulf) rate increase petition. Your correspondence is included in Gulf's rate case docket file (No. 160186-EI) to give Commissioners and staff an opportunity to review and understand your concerns.

Service hearings are scheduled in Pensacola on January 26 and in Panama City on January 27. I encourage you to attend one of the hearings, so that you can directly speak to the Commissioners. All customer comments—written and verbal—become a part of the record and will be reviewed and considered when PSC staff prepares its recommendation to the Commissioners on Gulf's petition.

Gulf's technical hearing before the PSC will be in March in Tallahassee. Witnesses from the utility, the Commission staff, the Office of Public Counsel (representing Gulf customers), and other intervenors in the case will present testimony, introduce exhibits, and be cross-examined before the Commissioners. Commissioners will review Gulf's need for a rate increase, its existing and proposed rate structure, and its ability to provide safe and reliable service.

Commissioners are charged with making sure that Florida's utility companies fulfill their service obligation. In its petition, Gulf based its request on several factors, including transmission projects and replacing and repairing infrastructure. The PSC will ensure that final customer rates reflect only those costs that are prudent and necessary for Gulf to deliver quality electric service.

You can find Gulf rate case information on the PSC's website, [www.FloridaPSC.com](http://www.FloridaPSC.com). Access the Clerk's Office tab, then hit Dockets and type in Docket No. 160186. All case submissions can be found in the Documents Filing Index. If you have additional questions or need further assistance, please call PSC Consumer Assistance at 1-800-342-3552.

Sincerely,

Bev DeMello  
Assistant Director

**Subject:** Gulf Power Rate Increase

I do not have transportation and therefore cannot attend the hearing so I am writing instead to plead my case.

Please do not allow Gulf Power Rate Increase. I am on a fixed income and received a total raise of \$3.00, yes three whole American Dollars per month in the last 2 years. My rent increased \$25 per month due to new fire department/tax collector Per Door policy and my apartment complex was not spared. The poor seem to be hit hardest by all of these increases and vilified just for being poor to begin with.

If power were a luxury item I could understand an increase, but it is not.

Thank you for your consideration.

Sincerely,

Jan M. Ruedisueli
