PLEASE don't allow rates for Utilities, Inc. to be raised. In our Longwood FL neighborhood, there are a number of senior citizens who simply cannot afford a water rate hike. I know, because I am one of them. I live solely on Social Security, and the supposed 5% rise in SS this year, has left me with exactly the same amount in my check -- to the penny -- as last year. The increase in taxes from the "raise" absoltely negated the entire so-called raise.

Thank you for your consideration.

Sheryl Roux
