Dear Mr. Kopman:

Thank you for contacting the Florida Public Service Commission (PSC) regarding Utilities Inc. of Florida's (UIF) rate petition. We appreciate your correspondence, and it has been included in both open UIF Docket files (150269 and 160101) for consideration.

PSC customer service hearings were held in January and February 2017, throughout UIF's service territory for Commissioners to hear directly from customers about UIF's rate request and service. UIF will provide its customers with a hearing notice, including hearing dates, times, and locations. In addition to all correspondence provided to the PSC, customer comments made during those hearings will be reviewed and considered when PSC staff prepares its recommendation to the Commissioners on UIF's proposed rates.

The PSC's evidentiary hearing on UIF's rate case will be held in Tallahassee, tentatively slated for May 2017. Witnesses from UIF, PSC staff, and the Office of Public Counsel, who represents customers, will present testimony and exhibits and be cross-examined by the Commissioners and other parties. The Commission will carefully consider all evidence before making a decision.

If you have additional questions or need further assistance, please call 1-800-342-3552. If you would like updated case information, please visit the PSC's website, [www.floridapsc.com](http://www.floridapsc.com) and click on the Clerk's Office tab, then hit Dockets and type in case number 160101.

Sincerely,

Bev DeMello  
Assistant Director

To Whom It May Concern,

I am writing to oppose what I understand will result in a 100% increase in consumer costs for water and sewer services for many of us in the Longwood area if the requested rate increase is approved. While I can understand the need for a modest increase, the impact in which our rates would be doubled is an unacceptable burden on consumers.

Thank you for your consideration.
