Commissioner,

Spin this however you want. But just know that i am extremely saddened to see that you voted in favor of this pay raise for FPL.

Didn't they get an \$811 million dollar increase last year?

I will surely be looking for your name at the polls. And will make sure that this decision that you made costs you a seat at the round table.

As an honest family man trying to provide for his family. It's the decisions like these that commissioners like you make that make me feel ashamed to have "leaders" like you in office.

Angry at you for not standing up for the people and instead align in yourself with big business.
