**RE:** CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NO(s): 160186-EI DOCUMENT NO(s): 01389-17

DESCRIPTION: GPC (Badders) - (CONFIDENTIAL) Certain information included in the testimony and exhibits of OPC witness Donna Ramas. [x-ref DN 00483-17]

---

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Gulf Power Company (GPC) requests confidential classification of certain information included in the testimony and exhibit (DMR-3) of witness Ramas.

GPC is claiming confidentiality of portions of the testimony and portions of exhibit DMR-3, under Section 366.093(3)(d), F.S. Per the Statute, propriety of confidential business information includes; "[I]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," and Section 366.093(3)( e) F.S. "[I]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

Staff has reviewed GPC's confidentiality request and in staff's opinion, the highlighted information, which includes information regarding allocation factors for affiliate transactions and results of a site specific geotechnical investigation for permitting activities, meet the definition of confidential business information under Section 366.093(3)(e), F.S. Therefore, staff recommends that the information contained in Document No. 01389-17 meets the criteria for confidential classification pursuant to Section 366.093(3)(d) and (e) F.S.

The above confidential material was filed with a request of confidential classification and motion for temporary protective order. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
- (a) Trade secrets;
  - (b) Internal auditing controls and reports of internal auditors;
  - (c) Security measures, systems, or procedures;
  - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
  - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
  - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

This response was prepared by Laura King on 2/14/17, a copy of which has been sent to the Office of Commission Clerk and the Office of General Counsel.
