Subject: Florida Proposed Gulf Power Rate Increase

Docket #160186

The proposed rate increase of \$30.00 per month is outrageous and ridiculous. With no consideration of Seniors on Fixed Income. Who can you in clear conscience even consider such an increase on the elderly! We stand firmly against such increase. My husband and I both are over 70 yrs old with serious health conditions. We are barely making our ends meet now. Please reconsider this rate increase on residents of this State that embraces Retirement and the Elderly.

Sincerely yours,

Johnnie L and Carolyn H Walker
