Ladies and Gentlemen:

I oppose the rate structure change as proposed by Gulf Power Company.

My preference is that the rate structure remain as is. Any fuel price fluctuations should be billed with appropriate surcharges for price increases or decreases during the time period of their fluctuation. The current base rate should remain.

Thank you very much.

Respectfully,

Jeffrey A. Smith  
Gulf Power Acct#47553-60120

Ladies and Gentlemen:

Attached is my comment regarding Gulf Power's proposed billing method change. Thank you for your consideration.

Sincerely,

Jeff Smith
