Re: Docket #160186

Hello, Ms. Stauffer. My name is Karen Sanchez and I receive Gulf Power service to my home at 5844 Dunridge Drive in Milton (Pace), FL 32571 (Santa Rosa County). I am writing you to express my great concern regarding the rate hike proposal by Gulf Power. My husband and I have worked very hard to reduce and limit our power usage to what is only necessary as a means to lower our monthly bill and as a way to reduce the amount of polluting coal burned to provide our home with power. I feel that Gulf Power is punishing us for being responsible citizens with such a high increase in base rate and I would like to use this as my opportunity to speak out against it. I do hereby request that Gulf Power's request for this increase be denied. Thank you so much for your time and consideration,

Karen L. Sanchez
