**Re: Docket No. 160193-WU - Application for approval of transfer of certain water facilities and Certificate No. 619-W from McLeod Gardens Water Company to McLeod Gardens Water Utilities, LLC, in Polk County.**

Dear Mr. Smallridge:

Staff reviewed the draft notice provided in response to staff's December 28, 2016 deficiency letter. All other deficiencies noted in staff's deficiency letter have been cured. To obtain Commission approval of its notice, McLeod Gardens Water Utilities, LLC should make the following changes:

1. Rule 25-30.030(3)(e), Florida Administrative Code (F.A.C.), requires that the notice for transfer of a regulated water utility be titled "Notice of Application for Authority to Transfer Water Certificate of Authorization to Another Regulated Utility." Please amend the notice title accordingly.
2. Rule 25-30.030(4)(b), F.A.C., requires that the notice contain the name, address, telephone number, and, if available, email address, and fax number of the applicant. Please amend the notice to include the telephone number, email address and fax number of the applicant.
3. Rule 25-30.030(4)(d), F.A.C., requires that the notice include the application docket number and title. Please amend the notice to contain the docket title.

Please make the changes noted in items 1 through 3 above and submit the corrected notice to:
