RE:

CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NO.: 160186-EI - DOCUMENT NO: 01798-17

DESCRIPTION: GPC (Griffin) - Responses to OPC's 1st and 6th request to

produce document (Nos. 56, 60, and 129).

SOURCE: Gulf Power Company

Pursuant to Section 366.093 of the F.S., and Rule 25-22.006, Florida Administrative Code, Gulf Power Company (GPC) requests confidential classification of certain highlighted information on Document No. 01798-17.

In regard to responses 56 and 60, staff has reviewed GPC's confidentiality request. GPC's response to OPC's first request for production of documents, numbers 56 and 60, contains presentations made by GPC to certain credit rating agencies that include forward looking financial information, the disclosure of which could harm the competitive interests of the company. In staff's opinion, the request meets the criteria for confidentiality set forth in section 366.093(3)(e), F.S. Therefore, staff recommends that GPC's request for confidentiality and motion for protective order of GPC's response to OPC's first request for production of documents, numbers 56 and 60, contained in Document No. 01798-17, be approved.

In regards to response 129, staff has reviewed GPC's confidentiality request. GPC's response to OPCs sixth request for production of documents, number 129 contains documents that are contracts, bids, presentations and proposals made by GPC, that if disclosed could both impair the efforts of the public utility and harm the competitive interest of the company. In staff's opinion, this request meets the criteria for confidentiality set forth in 366.093(3)(d), F.S and 366.093(3)(e), F.S. Therefore, staff recommends that GPC's request for confidentiality and motion for protective order of GPC's response to OPC's sixth request for production of documents, number 129, contained in Document No. 01798-17 be approved.
