Responses to Staff's First Data Requests

The joint responses of the Florida Division of Chesapeake Utilities Corporation (“Chesapeake”) and Sebring Gas System, Inc. (“Sebring”) to Staff’s First Data Requests are as follows:

1. Please provide the map (Attachment B) in its file format, e.g., pdf, for greater clarity.

Joint Response: The map included as Attachment B was provided to Commission staff in the requested format on February 17, 2017.

2. Section 8 of the Agreement (Attachment A) states that each party agrees to file any tariff revisions which may be required as a result of the Commission’s approval of the proposed agreement. Please describe the tariff revisions which may be necessary.

Joint Response: Section 8 of the Agreement (Attachment A) contemplates the amendment, if necessary, of each parties’ tariff to add Desoto County to their respective tariffed descriptions of territories served by the companies. With regard to Chesapeake, no tariff amendment is necessary, because Desoto County is already included on the list of counties served, as reflected on First Revised Sheet No. 3 of Chesapeake’s tariff. Sebring’s tariff will be amended to reflect service to the City of Arcadia.
