RE: Docket No. 170035-EI - Request for confidential classification of private letter ruling by Florida Power & Light Company.

On February 15, 2017, Florida Power & Light Company (FPL) filed its Private Letter Ruling Request Relating to Application of the Depreciation Normalization Rules of § 168(i)(9) of the Internal Revenue Code of 1986 (Private Letter Ruling) and requested confidential treatment for the document. No other action has been requested of the Commission by FPL in this docket other than the issuance of a confidentiality order for this document should the Commission determine that it needs to retain it.

Staff has reviewed the document and determined that the Commission does not need to take any further action in this docket and that it is not necessary for the Commission to retain the Private Letter Ruling. That being the case, please return the Private Letter Ruling to FPL and close this docket.

Should you have any questions or need further information regarding this matter, please contact Suzanne Brownless at 413-6218.
