Comments:

PLEASE, PLEASE, PLEASE DO NOT LET GULF POWER DO THIS TO US! An almost \$30.00 per month base rate increase may not mean much to people who are living in 4,000 sq. ft. homes and have power bills that are hundreds per month, but those like myself who are on limited and/or fixed incomes and have to conserve energy every month to keep their bills down, THAT IS A LOT! Please do not let them do it!
