## ACS-25

**INEXPENSIVE TO INSTALL. INEXPENSIVE TO OPERATE.** ClipperCreek's ACS-25 provides a low power charging option perfect for your long term charging needs. This hardwired 120V unit eliminates the need for a ground fault outlet providing a more reliable charge. Ideal for long term airport charging, employee parking and residential use.

- LOW PROFILE One of the smallest units in the industry
- **QUALITY** Technology that works for the life of your current plug-in vehicle and then some
- **CONVENIENCE** 25 feet of charging cable for installation and operation flexibility
- DURABILITY Rugged, fully sealed NEMA 4 enclosure for installation anywhere
- RELIABILITY Backed by ClipperCreek's 3-year warranty and excellent customer service team
