DOCKET NO. 170001-EI  
ORDER NO. PSC-17-0119-CFO-EI  
ISSUED: April 4, 2017

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S  
THIRD REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF  
MATERIALS PROVIDED PURSUANT TO AUDIT NO. 11-006-4-2  
(DN 02023-17, X-REF. 01959-15, 03689-11)

On February 17, 2017, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power and Light Company (FPL) filed its Third Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 11-006-4-2 (Third Request) (Document No. 02023-17, x-ref. 01959-15, 03689-11).

Audit No. 11-006-4-2 was originally granted confidentiality by Order No. PSC-12-0111-CFO-EI, issued on March 13, 2012. Confidentiality for Audit No. 11-006-4-2 has subsequently been extended twice by Order Nos. PSC-13-0459-CFO-EI and PSC-15-0374-CFO-EI, issued on October 14, 2013, and September 15, 2015, respectively.

Request for Confidential Classification

FPL contends that the information provided pursuant to Audit No. 11-006-4-2 contains information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), F.S.

FPL contends that the information is proprietary and confidential business information within the meaning of Section 366.093(3), F.S. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. This information includes internal auditing controls, reports or notes of internal auditors, or information relating to internal audit reports which are protected pursuant to Section 366.093(3)(b). Further, FPL asserts that customer-specific account information is included in the audit that FPL does not disclose without a customer's consent, e.g., customer names, addresses, telephone numbers, account numbers, rates, billing determinants, conservation savings in kW and kWh, and bills. Release of this type of information could violate these customers' right to privacy and harm their competitive business interests. Thus, FPL contends that this information is protected by Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as

information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(b) Internal auditing controls and reports of internal auditors.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Nothing has changed since the classification of the Audit No. 11-006-4-2 materials as confidential in March 2012. Upon review, it appears the above-referenced information continues to satisfy the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning internal audits and customer specific information, the disclosure of which would impair the competitive business of those customers. Thus, the information identified in Document No. 02023-17, x-ref. 01959-15, 03689-11, shall continue to be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Ronald A. Brisé, as Prehearing Officer, that Florida Power & Light Company's Third Request for Extension of Confidential Classification for portions of Audit No. 11-006-4-2, Document No. 02023-17, x-ref. 01959-15, 03689-11, is granted. It is further

ORDERED that the information in Document No. 02023-17, x-ref. 01959-15, 03689-11, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Ronald A. Brisé, as Prehearing Officer, this 4th day of April, 2017.
