Good afternoon Mr. Szabo,

To memorialize our conversation today and to reiterate that the rates in your attachment entitled "Water and Sewer Increase Effective 10-1-16" are for the City of Auburndale and are not approved by the Florida Public Service Commission.

Your approved rates are set forth in Order No. PSC-16-0126-PAA-WU, issued March 28, 2016.

As we discussed earlier, I urge you to file your annual index and pass-through application.

Respectfully,

### **MATTHEW A VOGEL**

Hello Mr. Vogel,

My name is Leslie Szabo from Sunrise Utilities LLC and spoke to you recently.

I am enclosing as attachment the Water and Sewer Increase Effective 10 -1-16 chart received from Mr. Sterling Carol and his partial e-mail received.

My question to you if we can implement those numbers top of our current rate charges to Sunrise customers to gain additional revenue, - besides the approved very minimal rate increase as of March 2016 in our latest SARC

Our base rate from \$ 10.01 to \$ 10.67

Gallon usages from 0 – 4000 gallon	\$ 3.19 plus \$ 1.93	to	\$ 5.12
From 4001 – 12,000 gallon	\$ 3.51 plus \$ 2,89	to	\$ 6.40
From 12,001 – 35,000	\$ 7.01 plus \$ 3.85	to	\$ 10.86

Our Residential ¾ " Customer current Utility Deposit \$ 52.00 and occurring many losses, would like to change it to \$ 150.00 as per chart.

Our current Service Fees are also much lower than per chart and would like to bring them up to date.

Feel free to call me if I can provide you with more detailed answer, - and please let me know the result of your findings of the rules.

Yours truly,

Leslie Szabo
