To whom it may concern:

We would like to request a waiver of the 30 day waiting period, as we had previously received approval for Miami Rate center. On March 14, 2017, we had submitted our notification letter for the Miami rate center, but unfortunately there weren't any available. The Pooling Administration is unable to use the Miami rate center letter for the Ft. Lauderdale rate center numbering resource request.

Pursuant to the Federal Communications Commission's (FCC) order that allows interconnected VoIP providers to obtain numbering resources directly from the North American Numbering Plan Administrator and/or the Pooling Administrator, we hereby notify this Commission of our receipt of FCC numbering authorization and our intent to request the resources identified below. We are providing this notice at least 30 days prior to requesting numbers from the Numbering Administrators.

Applicant's IPES OCN	NPA	Rate Center(s)	Initial/Growth	Quantity of Thousands-Blocks	Quantity of CO Codes
856H	954	FT. LAUDERDALE	INITIAL	10	1
