Good morning Sir/Madam

I am writing this in regard to the above styled Docket scheduled hearing before The Florida Public service commission . I will not be physically able to come for the hearing at the venue posted and hence i am writing this concern to the commission to be presented at the hearing.

The Utilities, inc of Florida has been providing and billing for Water and sewer and recycled water at my property in pinellas county. I have had several letters for rate increase over the past 2 years or so, While i reviewed the previous notices, i did not respond to them. They have gotten so frequent that every 2 months or so i get a notice of request for rate increase. So This time when i received this notice for arate increase hearing i wanted to express my concern and complain about the frequent out of controll rate increase.

While i own properties in Hillboro county, orange county and osceola county the service providers there have been not as many and aggressive rate increases. I just wanted to bring this to the attention of the commission and express my OBJECTION to the request for rate increase

Thank you for hearing me out  
Sincerely  
Dwarka Nath
