RE: Docket 150217-EI – FPL’s request for confidentiality of audit staff’s work papers related to its *Review of Data Accuracy in Electric Reliability Reporting by Florida Electric IOUs (July 2015)*, PA-15-01-003.

Audit staff has reviewed the confidentiality request filed by Florida Power & Light Company (FPL) in DN 04095-17 in regard to certain portions of audit staff’s work papers. **Exhibit C** in DN 04701-15 is the justification matrix which identifies the information requested to be classified as confidential under Section §366.093(3)(b),(d), and (e), Florida Statutes.

Upon review, we concur and recommend that FPL’s confidentiality request be approved for DN 04702-15 and that staff’s confidentiality filing of same in DN 07944-15 also remain confidential. Staff, therefore, requests that both DN 04702-15 and DN 07944-15 be included in the order.
