Good afternoon, Bart,

CLK is in receipt of DN 05584-17:

K W Resort (Friedman) - Letter dated 6/26/17 to Chairman Brown, advising that K W Resort has determined to forego the PAA process and utilize the process to proceed directly to hearing; prehearing testimony to be filed accordingly.

By DN 05242-17 we changed the ProgMod from A1a to A1f. Please advise if with the filing of DN 05584-17, if the ProgMod should be returned to A1a.

Thank you for your help.
