

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Nuclear cost recovery clause.

DOCKET NO. 20170009-EI  
ORDER NO. PSC-2017-0261-PCO-EI  
ISSUED: July 11, 2017

ORDER GRANTING STAFF'S MOTION

Order No. PSC-17-0057-PCO-EI, issued on February 20, 2017, established hearing procedures and controlling dates governing the annual Nuclear Cost Recovery Clause docket set for hearing August 15-18, 2017. On June 20, 2017, the Staff of the Public Service Commission (Staff) timely filed the joint testimony of Sofia Lehmann and David Rich.

On June 30, 2017, Staff filed a motion to file revised testimony and supplemental exhibit for Staff witnesses Sofia Lehmann and David Rich. Staff states that the exhibit was omitted due to a scrivener's error, and the revised testimony merely references the inclusion of the additional exhibit to which all parties had access to when it was initially filed on June 16, 2016, in Docket No. 20160009-EI. Pursuant to Rule 28-106.204(3), Florida Administrative Code, Staff conferred with all parties to this docket, and no party opposed the motion.

Upon review, it appears that Staff's motion is reasonable, and no party should be unduly prejudiced. Therefore, I hereby grant Staff's motion for leave to file revised testimony and supplemental exhibit.

Based on the foregoing, it is

ORDERED by Commissioner Ronald A. Brisé, as Prehearing Officer, that the Staff of the Public Service Commission's Motion for Leave to File Revised Testimony and Supplemental Exhibit is hereby approved.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
