DOCUMENT NO. 05836-2017
FPSC - COMMISSION CLERK

Docket No. 20170072-EQ – Petition for approval of amended standard offer contract and amended interconnection agreement, by Duke Energy Florida, LLC.

Issue 1: Should the Commission approve the amended standard offer contract and associated rate schedule and amended interconnection agreement filed by Duke Energy Florida?

Recommendation: Yes. The provisions of the amended standard offer contract and associated rate schedule, along with the updated interconnection agreement, conform to all requirements of Rules 25-17.200 through 25-17.310, F.A.C. The amended standard offer contract provides flexibility in the arrangements for payments so that a developer of renewable generation may select the payment stream best suited to its financial needs. The updated interconnection agreement provides the Utility an opportunity to limit the physical capacity of any new connection based on testing results. Staff recommends that the revisions to the rate schedule and standard offer contract, as well as the updated interconnection agreement be approved as filed.
