Subject: Utilities, Inc. Florida Docket No. 20160101 rate increase request

To the Public Service Commissioners,

I find it very troubling that you are doubling our water bills. The water bills I pay currently since moving to Seminole are almost 50% what I previously paid. Now I am reading in the media that our representatives are not looking into the peoples concerns but the well-being of a water utility. Shoving the heavy burden onto the hard working people that live in our area. Shame on you if you pass an immediate rate hike that will impact all of us so harshly. It is not fair to expect our area to subsidize other areas that have higher costs. Please consider your actions and the way your votes are going to affect the families that live in Seminole.

Sincerely,
Ryan Gersonde
