Hi Melinda,

Per your request below, the docket title has been updated to reflect the correct name of McLeod Gardens Utilities, LLC.

Can you also please confirm whether both utilities listed below are correct for this docket?

Docket Utilities

	Code	Name
1	WU979	McLeod Gardens Utilities, LLC
2	WU841	Tevalo, Inc. d/b/a McLeod Gardens Water Company

Thank you for your help!

Dorothy

I just realized that the name of the acquiring utility as put into CMS is different from the name registered with the Department of State/State Corporations. The name in CMS is McLeod Gardens Water Utilities, LLC.

In State Corporations it is McLeod Gardens Utilities, LLC, with FEIN: 81-3646710 (for future reference!) Hopefully this email will suffice to change the docket title and the name in CMS, before orders are issued! Please let me know as soon as you can if this is acceptable. I have draft copies of the rec out for review and we file Thursday.

Thanks.
