COMMISSION  
CLERK

RE: Declaration of Force Majeure Event

Dear Ms. Stauffer:

This is to inform you that pursuant to Section 4.5.2 of AT&T Florida's Self Effectuating Enforcement Mechanism Administration Plan ("SEEM Plan"), approved by the Florida Public Service Commission in Order No. PSC-10-0545-PAA-TP, issued August 25, 2010, with implementation on October 29, 2010, AT&T Florida hereby declares a service emergency due to Hurricane Irma that began September 9, 2017 and continues to impact AT&T Florida's operations state-wide. With all state offices closed due to Hurricane Irma Monday and Tuesday of this week, AT&T tried to make this filing electronically and was unsuccessfully due to technical errors. The Service Quality Measures ("SQMs") affected due to the force majeure event include all measures associated with Provisioning, Maintenance and Repair, and Trunk Group Performance.

Due to the anticipated catastrophic hurricane, Governor Rick Scott declared state of emergency in all 67 Counties on September 4, 2017. For purposes of the Provisioning, Maintenance and Repair, and Trunk Group Performance Measures, AT&T Florida hereby submits the attached spreadsheet, Attachment A, identifying all of the wire centers affected by this devastating storm and flooding. AT&T Florida will provide to the Commission updates on our recovery efforts and will notify the Commission when the force majeure event period has concluded.

If you have any questions concerning this matter, please call me or MaryRose Sirianni at (850) 577- 5553.

Sincerely,

Elise R. Banister  
Executive Director - Regulatory
