RE: Docket No.: 20160220-WS; Application for original water and wastewater certificates in Sumter County by South Sumter Utility Company, LLC
Our File No.: 47206.01

Dear Ms. Friedrich:

As you know, South Sumter Utility Company, LLC was scheduled to file the supporting financial information to establish initial rates and charges by September, 29, 2017. However, as a result of Hurricane Irma there will be a two week delay, until October 13, 2017, in filing that information. We still believe that the Commission will have ample time to evaluate the financial information and set rates and charges prior to service being provided.

Should you have any questions, please do not hesitate to give me a call.

Very truly yours,

/s/ Martin S. Friedman
