Subject: Return of Confidential Documents to FPUC

On June 6, 2017, staff returned FPSC Document Number 04773-2017 to Florida Public Utilities Company (FPUC, or the Company). (See FPSC Document Number 05190-2017 requesting that confidential Document Number 04773-17 be returned to the Company.) Two additional documents were cross-referenced to the document that was returned, and this request pertains to those documents, identified below:

- On May 19, 2017, FPUC filed highlighted information in FPUC's Response to Staff's First Request For Production Of Documents (Nos. 1-3), pursuant to a Request for Confidential Classification. The Request Confidential Classification is identified as FPSC Document Number 04941-2017, and the Confidential Document is identified as FPSC Document Number 04942-2017.
- On May 30, 2017, FPUC filed corrected information for Bates-stamped page 37 of FPSC Document Number 04942-2017, pursuant to the Request for Confidential Classification the Company previously filed for FPSC Document Number 04942-2017. The Confidential Document is identified as FPSC Document Number 05095-2017.

Staff no longer needs the Confidential Documents identified as FPSC Document Numbers 04942-2017 and 05095-2017, and both documents can be returned to FPUC.

Please contact me if you have any questions about this matter. Thanks.
