

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Gregory Miller

Electric Utility Provider : Duke

Zip Code : 32779

Category : Power restoration time

Comments : Never lost power. While some of this rests on the decision years ago to bury power lines in my development, it's also clear that the lines that feed my neighborhood also must be relatively secure, since I did not lose power in Charley or the other 2004 storms.
