

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Gregory Aldrich

Electric Utility Provider : FPL

Zip Code : 33467

Category : Other

Comments : I am an ATT Wireless customer. Before the storm I received a text message that all calls, texts and data would be free of charge for the week after the storm. Which was pretty useless as signal strength and bandwidth were pretty much non-existent. 4 weeks after the storm signal strength in my area is still weak compared to levels before the storm.
