

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Lisa Hanser

Electric Utility Provider : FPL

Zip Code : 33406

Category : Information provided by electric utility provider after the storm

Comments : I liked the information prior to the storm to download the FPL site so that we could check as to when power might be restored. However, using the site was impossible. It just spun and our power was restored before I was ever able to get the information online. The concept is good; the execution could be improved.
