

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Michelle Bray

Electric Utility Provider : FPL

Zip Code : 33434

Category : Power restoration time

Comments : The power restoration time at my house was as follows - it went out early Sunday Sept 9 and came back on by the morning of Wednesday Sept 13. I believe the contractors that came to help out FPL from other states were instrumental in getting power restored as quickly as possible in my neighborhood because all of the power trucks in our neighborhood were from other states and were not FPL vehicles. Thank you.
