

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Girard Orlandi

Electric Utility Provider : Duke energy

Zip Code : 32159

Category : Power restoration time

Comments : We are on a very poor electric grid that is over a mile from our home. Frequently our house and about 100 more go out when all the other homes around us never lose power.

Complaining to Duke energy does nothing to get us on another grid or upgrading ours so it doesn't happen. It doesn't take a hurricane for us to lose power.
