

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Robert Wright

Electric Utility Provider : FPL

Zip Code : 34340

Category : Power restoration time

Comments : Power was restored in three days. However although this was a good job on FPL's part I believe the use of more buried powerlines would aid in alleviating these type of issues in future disasters or hurricanes.
