Comments : We have been asking FPL for years to keep their easements clear of trees in my neighborhood of Snug Harbor but it seems to fall on deaf ears. My neighbor's backyard (location of power lines) is totally overgrown and interfering with the transmission lines but FPL has never been back there to trim his trees on their easement. The same is true for the easement behind Wells Drive. So, every time there's a storm, we all lose power in this section of Snug Harbor. FPL really needs to come out and clean up their easements.
