

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name :

Electric Utility Provider : EI801 - Duke Energy

Zip Code : 34480

Category : Power restoration time

Comments : We were out for 8 days. In the mid-2000 when the 3 hurricanes came thru, again without power for over a week. Anytime I mention we were w/out power for a week, many responses were, you have Duke don't you. Prior to Duke it was Progress, same thing. Guess if I lived in city of ocala, I'd get better service.
