Subject: Docket No. 20170007 – Deny FPL's request to bill families for clean up costs

Dear FL PSC,

Please vote to deny FPL's unfair request to saddle families with more costs and higher bills. FPL should pay to clean up its own mess at Turkey Point, not us, its customers. The company has made record profits this past year & recently even received a rate hike. The company knew or should have known for years that its cooling canals were creating contaminating our drinking water and yet did nothing. Now it is asking for its customers to pay for its own negligence. Please say "No." Thank you.

Sincerely,
Bonnie Daniels
