Case Background

On August 31, 2017, Florida City Gas (City Gas or company) filed a petition for approval of its safety, access, and facility enhancement program (SAFE) true-up and associated 2018 cost recovery factors. The SAFE program was originally approved by the Commission in Order No. PSC-15-0390-TRF-GU (2015 order) to recover the cost of relocating on an expedited basis certain existing gas mains and associated facilities from rear lot easements to the street front.¹ In the 2015 order, the Commission found that the relocation to the street front provides for more direct access to facilities and will enhance the level of service provided to all customers through improved safety and reliability. The SAFE factor is a surcharge on customers' bills. The
