To submit your comments about this docket to the Florida Public Service Commission, please complete this comment form and return it by mail, or fax it to 1-800-511-0809. Correspondence will be placed in the docket file.

A Water Softener, a Main Break on Maxim, an Office building, and Electronic water meters are the reason for the requested rate increase. None of which was requested by the customers. If the electronic meters are cost savings is the savings passed on to the customer. NO IT IS NOT.

It is respectfully requested that you the Public Service Commission do the right thing and help us here in Wedgefield by denying the requested rate increase.

Thank you for the opportunity to comment,
