I Brian A. Gibson disagree with the new rate increase. I want to have this documented. That I am not happy that the utilities bill has doubled from last year.

The utilities company I have active coverage with is Utilities Inc.

I'm really floored with the recent increase, I've never had a service that has more than doubled. This is unacceptable and should never of been passed. I request to have my name entered that I protest this huge increase.

Thank you,
