CONSUMER COMMENTS	
A Water Softener, a Main Break on Maxim, an Office building, and Electronic water meters are the reason for the requested rate increase. None of which was requested by the customers.	
<p>This will be the last of 9 submissions from me regarding the rate increase planned by Pluris. If you take the 9 complaints and multiply them by the number of Pluris Wedgefield customers you will have the number of complaints that exist here in Wedgefield. Many residents do not have the time or the computer to allow them to register their complaints like I do. We do not need to be paying for discretionary items that Pluris wants. Certainly we should pay for needs, NOT WANTS even if Pluris has already bought them.</p> <p>It is respectfully requested that you the Public Service Commission do the right thing and help us here in Wedgefield by denying the requested rate increase.</p> <p>Thank you for the opportunity to comment,</p>
