In re: Request for confidentiality of selected staff workpapers related to the review of Florida Power & Light Company's internal audit function.

DOCKET NO. 20160057-EI  
ORDER NO. PSC-2018-0029-CFO-EI  
ISSUED: January 9, 2018

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S FIRST REQUEST FOR  
EXTENSION OF CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 01306-16)

On October 18, 2017, pursuant to Section 366.093, Florida Statutes, (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed its First Request for Extension of Confidential Classification (Request) of materials filed pursuant to Commission Staff's Audit Report No. PA-15-10-006. Specifically, FPL seeks extended confidential classification of Document No. 01306-16, which was granted confidential classification by Order No. PSC-16-0152-CFO-EI, issued on April 19, 2016.

Request for Confidential Classification

FPL asserts that all of the information that was the subject of Order No. PSC-16-0152-CFO-EI warrants continued treatment as proprietary confidential business information. FPL contends that Document No. 01306-16 contains information relating to internal auditing controls and reports of internal auditors, which constitutes protected information that is exempt from disclosure under Section 366.093(3)(b), F.S. In addition, FPL asserts Document No. 01306-16 contains information concerning competitive interests, the disclosure of which could impair the competitive business of FPL and its vendors. FPL asserts this information is protected and is exempt from disclosure under Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to, internal auditing controls and reports of internal auditors and information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears that the information described above satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information appears to concern internal auditing controls and reports of internal

auditors, which constitutes protected information that is exempt from disclosure under Section 366.093(3)(b), F.S. Additionally, Document No. 01306-16 contains information under Section 366.093(3)(e), F.S., relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 01306-16 shall be granted continued confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Gary F. Clark, as Prehearing Officer, that FPL's First Request for Extension of Confidential Classification of the information contained in Document No. 01306-16 is granted, as set forth herein. It is further

ORDERED that the information in Document Number 01306-16, for which confidential classification has been granted, shall remain protected from disclosure for a period of eighteen (18) months from the date of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein. It is further

ORDERED that this docket shall be closed.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 9th day  
of January, 2018.
