Subject: Utilities Inc. of Florida Rate Increase

RE: Docket Number 20160101

I'm complaining about the over 100% increase in water and sewage rates that you recently granted Utilities Inc. of Florida. My wife and I are both retired and live on a fixed income from our retirement account and can't afford this type of increase. Please check your past records and note that you granted a previous increase a few years ago that doubled our water bill then. As an agency that is supposed to protect consumers, you have failed miserably. I urge you to take another look at the need for this recent increase. Thanks.
