RE: Undocketed; Gold Cost Utility Corporation
Our File No. 40057.02

Dear Bart:

Gold Coast Utility Corporation agrees to the attachment of Commission jurisdiction to revenues from January 1, 2018, for the effect of the Tax Cuts and Jobs Acts to the extent it results in the Utility exceeding the upper limit of its authorized rate of return. Gold Coast Utility Corporation only has \$795 embedded in its water rates and \$1,001 embedded in its wastewater rates (PSC Order No. PSC-2007-0609-PAA-WS). As a result of such a *de minimis* amount, no action is justified.

Should you have any questions regarding this, please do not hesitate to give me a call.

Very truly yours,

/s/ Martin S. Friedman
