No sir. I've reached out to both our attorney as well as the landowner and have not received any response for either one for the past several months.

Troy-

As you know, I am moving on from the PSC. Future updates (and I'm sure they will be many and interesting) should go to Robert or his lucky designee.

All the best, and happy new year!

I sent the draft language again and a request for review to both our attorney and the landowner Tuesday, November 14, 2017 and haven't heard anything from them.
