

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Charles Mielke

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 33026

Category : Power restoration time

Comments : PEOPLE being served by FPL should be able to receive better service. PLENTY of SUNSHINE with backup battery storage would go a long way for better service. FLORIDAN utilitys never go broke, they always give lots of greenbacks to SHAREHOLDERS.
